The application deadline for **Invest Southwest Capital Conference** is Sept. 2, and officials are holding their final get-ready seminar in two weeks.

The 16th annual conference, sponsored by the **Miller Group**, attracts capital-seeking businesses from Arizona and throughout the Southwest for the one-day event.

Organizers also will hold a final get-ready seminar from 8:30 to 10 a.m. Aug. 19 at SkySong, 1475 N. Scottsdale Road. The seminars are designed to give applying companies information on what investors may look at when judging a potential deal.
